개회사

여러분, 안녕하십니까?

오늘 우리 대학 기술경진대회의 일환으로 항공관광과 제1회 글로벌언어축제-영어, 일본어, 중국어 경연대회-를 개최하게 되었습니다. 먼저 매우 특별하고 의미있는 이 자리를 여러분과 함께 축하하고 기쁨을 나누고자 합니다. 우리 학과 학생들은 재학 중 열정을 가지고 다양한 외국어를 학습하며, 국제적 감각과 소통 능력을 길러왔습니다.

영어, 일본어, 중국어 스피치 대회는 그동안 같고 닮은 외국어 역량을 발휘할 수 있는 소중한 무대이자, 우리 학과의 교육 성과를 확인하는 자리가 되었습니다.

이제 오늘 이 대회를 통해 우리 학생들의 글로벌 항공서비스 인재로서의 준비된 경쟁력을 모두 확인할 수 있으리라 믿습니다.

무엇보다 이번 대회는 우리 학과의 새로운 도전이자, 더욱 견고해진 '수과항공'의 교육 역량을 보여주는 중요한 이정표가 될 것입니다.

여러분 한 사람 한 사람이 그 명성과 가치를 이어갈 주인공이며,

여러분의 이러한 노력은 곧 우리 학과의 지속적인 발전으로 이어질 것입니다.

오늘 이 자리에 함께 한 1학년 여러분은 선배들의 열정과 외국어 역량을 직접 보고 느끼며,

여러분의 꿈과 비전을 더욱 구체화할 수 있는 계기가 되길 바랍니다.

아울러, 이번 글로벌언어축제를 통해 우리 항공관광과가 한마음으로 단합하고, 함께 성장해 나가는 공동체로서 '우리'의 의미를 다시금 되새기는 뜻깊은 자리가 되기를 기대합니다.

입학 이후 오늘을 위해 열심히 준비해 온 참가 학생 여러분께 축하와 격려의 박수를 보내며,

정성을 다해 지도해주신 교수님들,

그리고 행사 준비에 수고해준 나라온 학생에게도 깊이 감사드립니다.

끝으로, 이번 글로벌언어축제가 새롭게 탄생할 수 있도록

귀중한 아이디어를 제안해 주신 총장님께 깊은 감사를 드립니다.

또한, 바쁘신 일정 중에도 직접 참석해 자리를 빛내주신 총장님과 부총장님, 처장님

그리고 항상 항공관광과의 발전을 위해 아낌없는 성원을 보내주시는 모든 분들께도

이 자리를 빌어 진심으로 감사의 마음을 전합니다.

Good morning, everyone!

My name is Minseo Kim from Class H, and today, I'd like to share my passion for the aviation industry and explain why I aspire to become a cabin crew member.

To me, a job is not just a means to earn a living—it's an opportunity to grow by taking responsibility and creating value for others.

It's about building meaningful connections, learning from every experience, and making a positive difference in someone's journey.

I'm an active and outgoing person, which is why I believe the role of a cabin crew member suits me well. It allows me to use my

strengths, meet people from all walks of life, and deliver excellent service—creating warm, memorable experiences for passengers.

Of course, I'm aware that this job can be demanding, with irregular hours and overtime.

But I'm fully prepared to meet those challenges.

I believe that going the extra mile is part of providing truly exceptional service, and I'm committed to doing my best in any situation.

When it comes to my strengths, I strive for perfection and value attention to detail.

I always put in the extra effort to ensure that everything I do is of the highest quality. This mindset allows me to maintain high standards in my work, and I believe it would be especially beneficial in providing exceptional service as a cabin crew member, where precision and care make a real difference in the passenger experience.

I hope to one day soar through the skies, helping to make each passenger's journey safe, comfortable, and unforgettable.

Thank you for listening.

Hello my name
is Sieun Lee
and i hope everyone's
dreams come true

Hello everyone!

My name is Sieun Lee, and I'm currently majoring in Air Travel and Tourism at Suwon Science College.

Today, I'd like to share the reasons why I want to become a flight attendant, as well as the qualities that make me a great fit for this career.

I had the opportunity to study at an international school in Thailand for seven years. During that time, I made many friends from different cultural backgrounds and learned how to communicate with and respect people from all around the world. This experience helped me become an open-minded and effective communicator.

My dream of becoming a flight attendant began when I was just 10 years old. My family enjoys traveling, so we flew often. I always looked forward to getting on the plane and seeing the flight attendants. They were kind, professional, and made every flight feel safe and comfortable. That left a strong impression on me.

To gain experience in hospitality,

I worked at Mirasia Restaurant in Konjiam Resort, where I had the chance to serve many international guests. Some of them had trouble understanding the Korean menu, so I gladly helped by explaining it in English and ensuring they felt welcomed. Through this, I discovered how much I enjoy helping and interacting with people from diverse backgrounds.

I also understand how important language skills are for flight attendants. I can speak English fluently, and I'm currently learning Chinese and Japanese to better communicate with even more passengers. I want to provide outstanding service to everyone, regardless of where they come from.

With my passion for service, love for diverse cultures, and commitment to making every journey safe and enjoyable, I am truly excited to take the next step toward becoming a flight attendant.

Thank you for listening.

はじめまして。こんにちは。私は水原科学大学 航空観光科のクオン・ハンナと申します。これから、自己紹介を始めます。私の趣味はピアノです。子どもの頃から習い始めて、今も時間がある時に弾いています。音楽を聞いていて、記憶に残る曲があったら楽譜を探して弾きます。それで、多様な曲が弾けるようになりました。私は明るくてまじめな性格です。初めて会う人も私に明るいと言ってくれます。また、学校生活で与えられた仕事がある時は後回しにせずすぐに取り組むので他の学生たちの模範になっていました。私は高校生の時福祉施設で行われた行事でボランティアをしました。施設の方々が私に明るい笑顔でありがとうと言ってくれるたびにうれしくて、ボランティアをするやりがいを感じるようになりました。また、学校では各科目ごとにチームプロジェクトをしています。毎回新しいメンバーと課題をするので、お互いの意見を聞いて配慮しながらチームワークを身につけています。私の目標はフライトアテンダントになることです。飛行機という限られた空間でサービスと安全に責任を持つフライトアテンダントになりたいです。そのため、友達の模範となるよう率先して行動し、前向きなマインドを育ててきました。これで、私の自己紹介を終わります。ありがとうございました。

Hello everyone,
It's such a pleasure to be here today.
First of all, thank you so much for giving me this opportunity to introduce myself.
My name is Suyeon Lee, and I'm currently studying Air Travel and Tourism at Suwon Science College.
I'd say I'm a very outgoing and friendly person.
I love talking to people, especially when it comes to meeting new friends from different countries.
That's why I often volunteer as an English tour guide at famous tourist spots in Korea.
Places like Gyeongbokgung Palace and Seodaemun Prison Museum have so much history, and I really enjoy sharing those stories with foreign visitors.
Seeing them smile and enjoy the experience always makes me feel proud and motivated to keep improving my English.
To build up my service experience, I worked part-time at a cosmetics shop.
There, I introduced trendy items and recommended my go-to makeup products.
Since I was the only staff member who could speak English, I often helped foreign customers too.
It felt great when they appreciated my help—it reminded me why I love providing good service.
Also, I'm really into fitness. I go to the gym regularly and enjoy activities like swimming and skiing.
Working out helps me stay in shape, clear my mind, and stay consistent—which I believe is super important, especially for someone like me who's dreaming of becoming a flight attendant.
I want to be someone passengers can rely on, not just emotionally but physically too.
All these experiences helped shape who I am today.
A passionate learner, a people-person, and someone who's ready to take the next step toward my dream.
Thank you so much for listening.

2-H 김진솔

Good morning, everyone!
Thank you for being
here today.
It is an honor to speak
to you, and I appreciate the
opportunity
to share my thoughts.

Every journey begins with a first step—and today,
I'd like to tell you about mine.
I'm Jinsol Kim, and thank you for being here.
So, let me start by telling you about myself.
I'd say I'm a warm and approachable person—I genuinely enjoy
meeting new people and making them feel at ease.
I currently serve as the team leader of a university club,
where I help break the ice and encourage everyone
to participate with energy and enthusiasm.
Thanks to those experiences, I've learned how to connect
with people, even in unfamiliar settings,
and how to communicate clearly and confidently.
Right now, I work part-time at a wedding hall in a hotel.
It's honestly one of the most meaningful things I've done.
Helping couples on one of the most important days
of their lives feels really special.
When I see their happy faces after everything goes smoothly,
it reminds me why I love working in service.
Through this job, I've come to understand how important
it is to be empathetic, attentive, and professional—qualities
I value deeply.
My dream is to become a flight attendant.
And if there's one skill that really matters in that role,
I believe it's communication. Whether it's offering personalized
service or staying calm during unexpected situations,
listening and understanding people's needs is absolutely essential.
My customer service experience has taught me
how powerful genuine care and simple kindness can be.
Before I wrap up, I'd like to share something that really motivates me.
It's my personal motto: "Actions speak louder than words."
I believe that dreaming big is important—but what really counts is
what you do to make that dream real.
That's why I try to push myself, take on new challenges,
and keep growing, step by step.
Thank you so much for listening. I hope to welcome you on board
someday—not just as a speaker, but as your flight attendant

Today, I'm going to tell you why I believe I'm a suitable person
for the flight attendant role.
First of all, my motto is "Live intentionally,"
and I've dedicated myself to living by this principle.
This mindset has driven me to pursue my dream of
becoming a flight attendant with passion and determination.
I believe that living with purpose leads to meaningful service
and that's —exactly what I want to offer to passengers.
Furthermore, I speak Korean, English, and Japanese fluently.
(日本語は独学で学び、会話でも自然に使えるように練習してきました。)
My love for languages doesn't stop there I'm currently learning Chinese and
— French because I believe that being able to communicate in
five languages will make me a truly global flight attendant.
I began my language journey just two years ago,
and through hard work, I became fluent in three languages in a short period.
This experience gives me confidence that I can also master Chinese and French.
In addition, working as a guide in a busy department store taught me
the importance of excellent customer service and how to handle
diverse situations with professionalism.
This experience, along with my high school
volunteer work at an animal shelter, helped me develop empathy,
patience, and the ability to care for others all of
which are essential for a flight — attendant.
In conclusion, my passion for languages, my dedication to customer service,
and my commitment to my goals align perfectly
with the qualities needed for this role.
Someday, I hope to use my skills and enthusiasm to create memorable
experiences for passengers from all over the world.
Thank you for listening!

My name is Ji Yeon Kim.
It is a great honor to stand before you
today
and share my journey.
Thank you for this opportunity to speak
from the heart.
I embrace new challenges, and today is
the result of
that mindset.
I hope my experience
can be of value to you all.

Good morning, everyone.

It's a pleasure to be here, and I truly appreciate the opportunity to speak with you today.

My name is Ji Yeon Kim, and I'm majoring in Air Travel and Tourism at Suwon Science College.

Today, I'd like to share the story behind my dream of becoming a flight attendant,

and share why I believe I am ready for this exciting and important role. First, I'm good at foreign languages and familiar with different cultures.

When I was a child, I went to the Philippines for language learning and volunteering.

I also visited Singapore to join a conference.

These experiences helped me understand other cultures and develop a sense of service.

They were great opportunities to broaden my perspective.

Second, I have strong problem-solving skills.

When I was working as a server in a restaurant, I was very embarrassed when a customer fell on the stairs.

But I stayed calm, called the paramedics, and took emergency steps until they arrived.

Because of that, I was able to protect the customer's golden time.

Through this, I learned how important it is to take responsibility for customer safety.

Lastly, I volunteered at a daycare center for children with disabilities. I looked after them, played with them, and even made a small swimming pool for them.

At the end of the volunteer work, I felt proud and responsible.

I believe caring for people in need shows the true spirit of service that a flight attendant should have.

Becoming a flight attendant is a goal I've worked toward with passion and purpose.

I know this path comes with challenges, but I'm ready to grow and stay committed every step of the way.

I hope to provide care, safety, and comfort to every passenger I meet.

Thank you once again for taking the time to listen.

I'm looking forward to reaching my dream—one step at a time.

Hello everyone, My name is You Hyeon Seo,
majoring in Air Travel and Tourism at Suwon Science College.
Today, I'd like to talk about why I dreamed of becoming
a flight attendant and why I am fit for the job.
I always hoped for a service job because
I like working with many people.
I became more certain of my dream by working part-time jobs
at restaurants and cafés.
It was a little difficult because it was my first job,
but thanks to my hard work, I was able to learn sincerity
and service skills.
Based on my outgoing nature, I want to expand my service skills by
becoming a flight attendant who provides the best service.
I think responsibility is the most important thing because a flight
attendant's priority is to ensure the safety of passengers.
At college, I participated in the department promotion club.
I planned and held various events such as speech contests.
Through this experience, I was able to learn teamwork and
responsibility by cooperating with my team members.
I think these experiences will be helpful
when working as a flight attendant.
One of my special skills is dancing.
I've enjoyed dancing since I was young,
and it helps me express myself with confidence.
In high school, I was the leader of the dance club a
nd performed at many events.
Dancing taught me to stay calm and positive in front of others.
I believe this energy will help me as a flight attendant,
and I'd love to show you a short dance today.
In addition, I was able to build up various knowledge necessary
for flight attendants, such as service and foreign languages, at school.
I was able to prepare well as a flight attendant,
and I want to apply it quickly in the service field.
So I will continue to work hard until the day I become a flight attendant.
Thank you for attending and thank you for listening.

Greetings, I hope all
is well with you.
Wishing you
continued success
and well-being in
all that you do.

Hello everyone. My name is Yieon Wang, and I am majoring in Air Travel and Tourism at Suwon Science College. I chose this major with the dream of becoming a flight attendant. Today, I'd like to share the qualities that make me well-suited for this role. First, I'm confident in my foreign language skills. I believe communication skills are very important for flight attendants to understand and meet the passengers' needs. Since I was young, I've had a strong interest in foreign languages, especially Chinese. I even participated in a language speech contest, where I was proud to win a prize. That experience boosted my confidence and made me realize how much I enjoy connecting with people through language. Thanks to intensive language courses in college, I feel even more prepared to communicate with passengers from diverse backgrounds. Second, I'm a diligent and responsible person. While working in the service industry, I always arrived 10 minutes early to check my duties. This preparation boosted my confidence and enhanced customer satisfaction. Based on this diligence, I believe I can become a capable flight attendant who can demonstrate these qualities. Lastly, I've gained valuable experience in the service industry. In particular, I worked part-time at a wedding hall, where many guests felt nervous. Knowing they wanted everything to go smoothly, I explained even the smallest details with kindness and patience. After the ceremonies, several guests personally thanked me. That moment made me realize how rewarding it is to assist others. It confirmed for me that a service-minded attitude is essential in this line of work. My goal is to become a reliable and caring flight attendant, and I believe that my skills, experience, and sincere efforts will help me achieve that dream. Thank you for listening.
